Be descriptive, but succinct. Include a brief summary of who this project is for (i.e. beneficiaries), what you will do (i.e. the activities you will perform), and what effects you expect to result from your activities (outcomes). Go to the Funding Centre's Answers Bank at <https://www.fundingcentre.com.au/answersbank#Qu1> if you need some ideas about how to frame your response.

Rationale / Theory of Change: What is the need and how will you address it?

Tell us why your initiative is needed, and why you believe the activities you propose will produce the outcomes you seek. Provide statistics/evidence (where available) of both the need and the link between the work you will do and the outcomes you seek. Go to the Funding Centre's Answers Bank at <https://www.fundingcentre.com.au/answersbank#Qu2> if you need some ideas about how to frame your response.

What are the planned activities?

Briefly list (bullet points) the specific activities that will take place and where they will take place (200 words recommended)

What are the expected outcomes of the project?

Describe three things you want the project to achieve in terms of benefits for participants and/or others (200 words recommended)

How will you know if these outcomes have been achieved?

Describe three changes you will see if the expected outcomes of the project occur (150 words recommended)

What are the primary areas of focus for this project/program?

You may select up to five items. You can select items from any area of the list – all have equal value. Only select sub-categories if you want to be more specific. In this question we want to know about the field of work (e.g. arts, sport, health), rather than the types of people it will affect (e.g. young people, refugees).

Who are the expected primary beneficiaries of this project/program?

Please choose only the group/s that are at the very core of this project/program. If your initiative is open to everyone, choose the first item, 'Universal – no particularly targeted beneficiaries'
